

COMPLIMENTARY TICKETS AND VOUCHERS

(as of February 2018)

Preview Performance Tickets:

The preview performance is free to family and friends of the cast, and crew who helped with the show. The Cedars will be given 12 preview tickets but may request more. The Shelbourne Kitchen will also be given invitations for two families to attend the preview of the panto.

Except for the panto, there is no limit on the number of family and friends the cast and crew may invite. For the panto, each cast and crew member will be given two tickets for the preview performance.

For Cast & Crew:

- Cast and Volunteers who are part of the main production crew in any capacity (other than the panto) are entitled to request 1 complimentary voucher, which can be redeemed at The Papery or at the door (subject to availability).
- The stage manager will distribute vouchers to the cast.
- The heads of each department will distribute vouchers to their crew, and other volunteers, at their discretion.

For St. Luke's Church and Lake Hill Pre-School:

- The Church and Preschool receive 10 complimentary tickets each for the first Thursday of the regular shows, and to the least subscribed shows for the Panto.

For Director and Producer:

- 10 vouchers are available to the Director & Producer to be distributed at their discretion to persons who have been helpful in the production. [At some point a few years ago we decided to have only 10 discretionary vouchers, period, including the media, but we seem to have gone away from that – anyone want to check back through minutes from years past?]

For the Media:

- Complimentary vouchers are given to the media at the discretion of the director, producer or publicity chair.

For the Ticket Outlet:

- Two complimentary vouchers are provided to the ticket distribution outlet for each production.
- These vouchers can be exchanged for tickets at The Papery, or at the door, and are good for any performance.
